Application for Frozen Dessert

Any establishment selling a dairy based soft serve ice cream, frozen yogurt, or frozen drink, which is mixed and reformed in dispenser, must apply for a frozen dessert license.

Applicants must complete the following procedures:

1. **Completely** fill out the application along with \$5.00 cash or check made payable to the City of Newton.
2. An inspection must be scheduled with a Newton Health and Human Services Department inspector prior to obtaining a license and selling product.
3. Monthly testing is required on frozen desserts from an approved laboratory. Contact the Health and Human Services Department for a list of certified laboratories.
4. A copy of the frozen desserts, frozen dessert mixes and/or ice cream mix regulation can be obtained at the Newton Health and Human Services Department located at 1294 Centre Street, Newton Centre, 02459

If you have any questions or need further information please call the Health and Human Services Department at 617-796-1420
